Please provide a brief statement setting out why you are interested in becoming a member of the Corporation

It would be helpful to know at the outset if you have experience (significant or otherwise) of any of the following – other areas of interest and expertise will also be of interest to the Corporation:

Area	Please outline the basis of your experience (eg employment)
Audit	
Construction including large scale projects	
Finance	
Teaching & Learning	

Please say if you currently serve or have previously served on the Corporation / Governing Body of any other schools or colleges including dates

Please say if a family member or close friend is currently employed by the College and or serves on the Corporation (note: this is not a barrier to your membership but it is appropriate that it is known)

Important Notes:

Members of the Corporation are required to:

- Have DBS clearance as a reflection placed on the safeguarding of all members of the College community
- Make an annual declaration of interests which may impact on their role as a Corporation Member and confirm that they remain eligible to serve as a Member
- Commit to follow the policies of the Corporation including those relating to good governance (the Nolan principles)
